## Description

Commercaill Property Large commercial property located on Airport Road with a total of 2.71 aces backing onto the airport. The property has two large warehouses/commercial buildings which are currently been used and rented for vehicle repairs and mechanics. The main concrete building and structure has a combination of offices on the ground floor and seven 1 bedroom rental apartments on the second floor together with storage rooms. There is a large area of unused land which forms part of the property that could be developed in the future or used as storage for any type of commercial business. This property is in a great location for any business that needs a large amount of land & buildings located within a short location to the main airport and would it be suitable for a number of businesses.
