Bliss Luxury Villas Bliss Villas bring a new sense of opulence to Turks and Caicos on the most sought-after stretch of Providenciales: Grace Bay Beach. These secluded luxury villas were built and designed with modern and minimalism in mind. Enjoy your private pool while taking in the breathtaking views that come with paradise. Located on 312 feet of beachfront on Grace Bay beach. Each of the 10,000 square foot villas offers total privacy in a relaxing atmosphere. As soon as you walk through the doors, you will have a straight view of the vibrant turquoise ocean. The open concept living areas are perfect for entertaining your guests. The kitchen is any professional chef's dream featuring an eight-burner stove as well as a walk-in pantry. You can also prepare your food in the outdoor kitchen to enjoy both the indoor and outdoor dining areas of the villa. The master bedroom is on the main floor and features its own private bathroom, patio as well as views of the ocean. The master ensuite features a stand-alone tub and a walk-in closet. You will never run out of views to the ocean as the entire back of the house has floor-to-ceiling windows. When you journey upstairs, you will find four guest bedrooms featuring their own ensuite bathrooms. The second floor also features a media room with a refreshment center as well as a second laundry room. The expansive exterior areas were designed to offer multiple entertainment and lounging areas, and feature an infinity pool, pool deck, sun deck, outdoor kitchen, bathroom, beach shower directly on the finest stretch of Grace Bay beach.
